Riglam School, Choglamsar

Annual Report 2022-2023

I have a great pleasure in presenting the Annual Report of Riglam School for the Academic year 2022-2023.

With great contentment I can affirm that we have been able to bring our students back to the rhythm of learning after a gap of three months. All praise to the dedication and hard work of the teachers.

Apart from preparing the children for academic demands, we give emphasis in preparing our children to face the challenges of the competitive world. It is a matter of great significance to us that the students who pass out from our school be well disciplined and carry forward the values they have inherited and excel in life, being role models in the society.

We strive for excellence in everything we do. Our learning environment allows every student to prosper as individuals, Excellence is our expectation too. Our priority is not just subjects, instead we aim at Holistic education focussing overall development of our students. Equal opportunity is given to every student and our inclusive environment supports every student. We also value our relationships; we are closely connected to our staff, students, parents, and all our stakeholders and well-wishers.

It is hereby presented as you must be keen to know the happenings in Riglam School.

Students and staff:

We had a total of 94 students at the beginning of the session with 52 boys and 42 girls. We have 12 teaching staff and 8 non-teaching staff. We maintain a teacher-student ratio of 1:7.9 (nearing 8) which enables us to ensure teacher's personal attention to the children in their care.

JK Board Exam:

I am proud to report that our class VIII students have brought laurels to the school by their excellent results. As always, we have 100% passed the board exam. We appreciate and congratulate the combined efforts of our teachers, students and parents. We presented the 12th Batch of Class VIII students in November 2022 with a total number of 12 students.

SCHOOL HOUSES:

“Strength does not come from physical capacity; it comes from unity”

The students of the school are divided into 4 different houses: Takshila, Vikramshila, Nalanda and Ujjain.

Each house is managed by house Masters, Associate house masters and house captain. The house on duty performs its duty of conducting the day-to-day activities, competitions in systematic and disciplined manner.

Sports:

Sports competitions inculcate the spirit of positive challenges and sportsmanship among the students and prepare them for the life ahead.

Sports, games and physical fitness occupy a place of importance in our curriculum. Our students participated in different sports competitions and won trophies, medals and certificate.
